

VOLUNTEER

AT AN

EMERGENCY

WOMEN'S SHELTER

In order to prevent COVID-19 outbreak in the community, Worcester needs to work together to increase access to shelter for women experiencing homelessness, and promote social distancing in every location, including homeless shelters. We are looking for volunteers who have experience working with individuals who have experienced trauma at an emergency shelter in the city that will provide shelter and safety to 10 individual women.

VOLUNTEERS NEEDED!

We are looking for volunteers who have experience working with women with a history of trauma at an emergency shelter in the city that will provide shelter and safety to 10 individual women.

You can volunteer if you meet the following criteria:

- You have experience providing trauma informed support and services
- You are younger than 60 years old
- You have never been in contact with someone who has tested positive for COVID-19
- You have not traveled within the past 30 days
- You are not taking any medication that restricts your immune system, for any condition including but not limited to:
 - Rheumatoid Arthritis
 - Psoriasis
- You do not have any of the following pre-existing health conditions:
 - Cancer
 - Asthma
 - Chronic Obstructive Pulmonary Disease
 - Immune Deficiency, such as HIV
 - Other Autoimmune Diseases such as Pancreatitis, Diabetes, etc.
